Third Topic: School Events

- Mustang Daughters Event was another great event. Marnita Fry reported that volunteerism was low for the event. She intends to try and get more for next years dance. She may check with local high schools for volunteers. She

would like to get a screen for next years dance where the kids can see themselves on it. Also, she needs vendor closed signs, so that vendors can stop lines from forming after business hours.

- Teacher Appreciation week will be a Destination Appreciation theme. Donations have already started coming in. PTA to begin decorating Sunday the 14th.
- Earth Day Week will have a butterfly theme this year.

President Colleen Williams moved to adjourn the meeting seconded by Leigh Andrus and the meeting was adjourned at 10:48am.
